SATURDAY, DEC. 16TH 1967

10:00 A.M. SHARP

Edmonton Exhibition Grounds

Edmonton, Alberta

Canada

**COMPLETE DISPERSAL**  
of the world famous  
**Killearn Shorthorn**  
**Herd**

**SATURDAY, DECEMBER 16**  
**EDMONTON, ALBERTA**

Sale will be held at the Edmonton Exhibition grounds.  
Starts at 10:00 A.M., M.S.T. in heated pavilion

**Auctioneer:** Ken Hulburt, & Associates, Ft. MacLeod,  
Alberta

**Ringmen:** Casey Anderson, The Westerner, Regina, Sask.  
Alan Wilson, Duhamel, Alberta

This sale is being held to settle the estate of the late Claude Gallinger, founder of this herd and one of the master breeders of Shorthorn cattle . . . Killearn productions have headed the breed's strongest herds, and their size and substance have made them equally popular with the commercial cowman. This herd has produced International grand champions and sale toppers throughout North America. This will be a rare opportunity to select cattle from a herd that is a legend in its own time. **Don't miss it.**

Killearn Shorthorns have written breed history over the years.

**There are good air and train connections to Edmonton**

For a catalog of this historic event write  
**HOWARD BYERS, Secretary Alberta Shorthorn Ass'n.**

## TERMS AND CONDITIONS

1. Terms of the sale are cash. Payable at par in Canadian Funds at Edmonton. (U.S. Currency enjoys approximately 7% premium).
2. Each animal will be sold to the highest bidder without reserve.
3. Auctioneer will settle any disputes as to bids by declaring all bids off and reselling the animal in question.
4. Each animal will be at the purchasers risk as soon as sold. However, animals will be cared for and loaded free of charge by Killearn Farms for any reasonable length of time after sale.
5. Health Certificates will be supplied to comply with regulations so that the cattle may go to any province in Canada or the United States.
6. Since this is a dispersal sale, the cattle will be sold without any further guarantee. Any known defects or errors will be announced from the auction block, and will take precedence over any printed matter.
7. Anyone attending the sale does so at his own risk, and the sellers and sales personnel will not be responsible for injuries or death that may arise.
8. All cattle in this sale are registered in the Canadian Shorthorn herd book and will be transferred to the new owners at the sellers expense. When making settlement or signing sales slips, purchasers should make certain they leave their complete name and address as to how they want their purchases registered.

Insurance will be available at the sale.

Lunch will be supplied sale day.

If at all convenient, management would appreciate knowing if you are planning to be in Edmonton Friday evening and the time of your arrival.

Cattle will be on display all day Friday, December 15th, the day prior to the sale.

#### A Letter from Harold W. Thieman

There is no doubt in my mind the Killearn Max Juggler has had a great influence on our herd of cattle and the breed as a whole. He was a tremendous animal as an individual. Good enough to be Grand Champion Bull at the American Royal, the Eastern National and international at Chicago, after having bred over 100 cows naturally. Today, this breeding is in the background of most of our herd of cattle. We have line-bred to it through sons, grandsons, etc. Juggler was a big bull and a most correct bull in every respect! It is reasonable that he was because I think that when I saw the Killearn Herd that it was the most outstanding herd of beef cattle of any breed that I had ever seen.

The cows were big, sound and correct, and above all they were uniform through the entire herd. I have told many people that Mr. Gallinger's breeding was the best I had ever seen in operation.

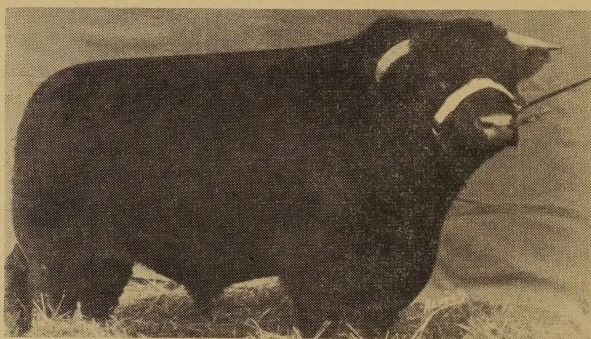

I have not seen the herd for a number of years but I firmly believe that this dispersion sale will offer, those interested in really great cattle, an opportunity of a lifetime. The price the cattle sell at is not important. The good they will do for their new owners and the Shorthorn Breed is of tremendous value. Forward thinking cattle men will purchase these cattle and have a product to successfully compete with beef cattle of any breed.

Kindest regards  
Harold W. Thieman

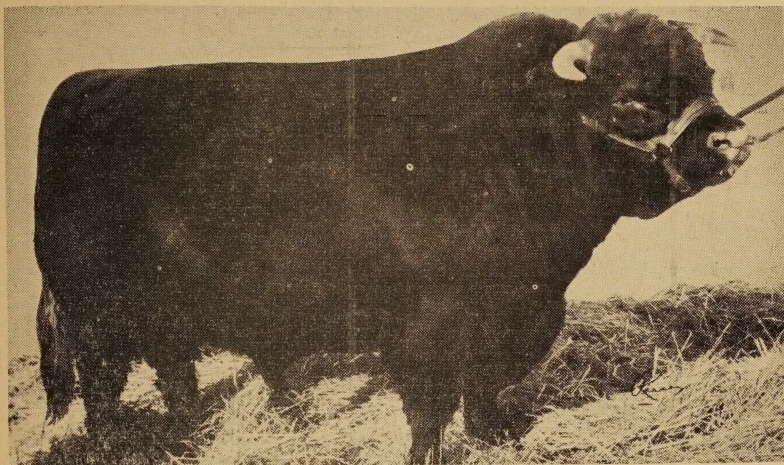

Killearn Maxine Duchess sold as a ten month old calf in the first Killearn sale in 1945 to Tom Hamilton for his strong Rannoch herd at Innisfail for over \$2,000. She established a terrific family at Rannoch. One of her sons, Rannoch Memory sold for a high figure to go to Bill Thornes herd in Kansas.

She herself as a mature cow was supreme Champion at Canada's Royal Winter Fair.

Killearn Max 5th, perhaps one of the most famous sires ever used at Killearn. Sire of Killearn Max Juggler and Killearn Maxine Duchess and many other famous Shorthorns.
